2022 Secondary School
Gateway
Education to Employment Programme

Delivering programmes of study in:

➢ Agriculture - Primary Industries

➢ Animal Care - Veterinary Technologies

Gateway

Introduction to Gateway

Gateway programmes are for students working towards NCEA Level 2 and 3.
Gateway offers structured workplace learning opportunities. Ag Challenge
delivers these courses via distance learning which meansstudents work at their
own pace and in their own environment.

Who is it designed for?

Year 11 to 13 students

Gateway students can study theory units in:

- Animal Care
- Agriculture

*Units should be completed in conjunction with Gateway student work placements in
an associated industry.*

Price includes:

(All prices include GST)

- **Administration & Online access**

- **All marking and tutor support**

- **Any Postage of resources and resubmitted assessment (if required)**

All assessments must be completed to **COMPETENT** level before an **ACHIEVED** result
can be processed.

Carpentry

Expressions of Interest Required – this programme is currently under development and if your students are interested in learning & working in the construction & building trades, please email amy@agctraining.co.nz

2022 Gateway Procedure Guide

1. Discuss with your students their needs and select units from the provisions list. The booklet can also be found on the AGC Training website (www.agctraining.co.nz).

2. Complete and forward the Gateway Order Form (This can be found on our website) to: amy@agctraining.co.nz

3. A MOU (Memorandum of Understanding) will be sent via email for signing by someone authorised to do so (unless you already have an MOU that is current). Please return your signed copy to AGC Training and we will sign and email a copy back to you for your records.

4. Fill out the Gateway Course Enrolment Form – one for each student (more than one unit can be ordered at any time).

5. The student will be enrolled online and their username and password will be sent to the Gateway Coordinator for them to assist the student with their log in.

6. If required - all assessments, resource notes and workbooks will be available to print.

7. Once the student completes the online resources, and is ready, they sit the assessment.

8. All Assessments must have a **Theory Assessment Attestation** completed by the authorised person who supervises the assessment. (A copy is attached, and it is available on our website)

9. Assessments are returned for marking. These can be submitted by scanning or sending via email. Students will only be able to submit their Assessment for marking a maximum of *THREE* times, after this the assessment will not be marked and a 'Not Yet Competent' result will be given.

10. You will be notified by email once your student has achieved all required components and is deemed Competent (or Not Yet Competent) and the Unit is able to be reported to NZQA.

Other Important Information

- Assessments - if handwritten, must be completed in pen. Assessments submitted in pencil will be returned and not marked.

- Resits are completes by the student in a different coloured pen.

- **Please save or make a copy of all assessments sent to AGC Training.** All 'Competent' Assessments are kept by AGC Training as evidence of competency and for moderation purposes.

- Invoices will be generated at the end of each Term. Payment is due on the 20th of the month following.

- All units must be completed during the year they are purchased.

Final Date for Ordering Units: 17th October 2022

Closing Date for marking: 2nd December 2022

This is ALL MARKING, including re-assessments.

Please direct all Gateway queries to Amy on:
