

## New Zealand Certificate in Agriculture Level 3 (Dairy Strand) Fulltime

This programme consists of ten compulsory courses that follow the dairy season throughout the year. You will learn everything you need to know to become a knowledgeable farm assistant:

- **Work as an effective team member** (5 credits)
- **Soil and pasture management** (20 credits)
- **Livestock feeding** (10 credits)
- **Livestock mating and parturition** (25 credits)
- **Livestock health problems** (23 credits)
- **Milk animals** (10 credits)
- **Milk quality** (10 credits)
- **Milk quality problems** (10 credits)
- **Dairy environmental problems** (10 credits)
- **Young stock rearing** (5 credits)

Graduates of this qualification may be employed at a junior level within the pastoral farming sector as farm assistants.
